

Support for Overseas Shooting

This will be achieved in a number of ways:

- The payment of Team Entry Fees for SLG Teams in overseas competitions, as minuted in the 2010 AGM:
The cost of this will be monitored closely.
- Organisation of car sharing to reduce the cost of travel to Germany.
- Organisation of accommodation in advance to get better deals and to foster team spirit.

There are other ideas currently being considered, including the potential to purchase firearms on behalf of members for storage and usage in Germany.
